no matter how far we go, we shall find
the same old world, the same old
people, the same old things. The only
thing that changes is the way we
look at it. The world is not
changing, but our minds are. The
world is the same, but our
ideas are different. The world is
the same, but our hearts are
different. The world is the same,
but our souls are different. The
world is the same, but our
lives are different. The world is
the same, but our dreams are
different. The world is the same,
but our hopes are different. The
world is the same, but our
faiths are different. The world is
the same, but our loves are
different. The world is the same,
but our hates are different. The
world is the same, but our
fears are different. The world is
the same, but our joys are
different. The world is the same,
but our sorrows are different. The
world is the same, but our
lives are different. The world is
the same, but our deaths are
different. The world is the same,
but our eternities are different.
